Who Should Attend:
This symposium is designed for electroneurodiagnostic and polysomnography care professionals to develop or augment their knowledge. Reminder: ASET ACE continuing education credits are required for ABRET recertification.

ASET “ACE” Credits applied for.*

*The American Society of Electroneurodiagnostic Technologists has granted ASET Continuing Education Credits (ACE) for this program. Such crediting, however, should not be construed by program participants as an endorsement of any type of instruments or supplies mentioned or involved in these presentations.

BRPT also accepts the ASET “ACE” credits for maintaining your PSG registry.
Welcome to the Central Society of Electroneurodiagnostic Technologists Annual Meeting to be held in Lombard, IL, April 11-12, 2013, at the Embassy Suites Chicago-Lombard/Oak Brook Hotel.

This is your opportunity to convene with other professionals for camaraderie and to strengthen your knowledge in the challenging and rewarding fields of END and polysomnography.

Again this year we are offering two days of three courses each day with a variety of basic and advanced topics. These courses will fulfill continuing education credits.

Please review the brochure to register for the educational and informational courses in the END and Polysomnography fields.

Vender booths will be on site during the days of the meeting.

We want to encourage you to take opportunity to visit the vendor booths to check out the variety of equipment and supplies available.

Thank you to the vendors who played a vital role in sponsoring the 2013 Annual CSET Meeting.
